## **HORSE HEALTH REQUIREMENTS**

Each horse must have a negative Coggins test within 6 months of sale and an interstate health paper within 60 days of sale.

## **HAY, BEDDING, AND FEED**

All consignors are responsible for their own feed and hay. First bedding will be provided. An additional bedding must be purchased at the auction thru the MEC.

## **REGISTRATION**

The sale requires that all original registrations and transfers be in place before the animal goes into the sale ring. Catalog number of the horse is the sale number. **BUYERS: ALL SALES ARE FINAL.** The seller of the horse guarantees the identity of each animal as it appears on the registration certificate. All horses with ADDHA, KWPN, ASB, and KFPS papers will be transferred to the person indicated on the sales slip. Cost to transfer ownership of the consignments to new owners for these registries will be paid by the seller. All other registration papers will simply be passed on to the buyer without being transferred. Title passes at the fall of the auctioneer's gavel at which time all risks and responsibility for the horse passes to the buyer.

**No substitutes for cataloged horses.**

## **WARRANTIES**

Ages, heights, markings, and physical condition are approximated and not guaranteed. It is the responsibility and obligation of the buyer to examine the horse before he bids as all sales will be final. In case typographical errors or other errors are discovered, the auctioneer or pedigree reader will announce them, which will take precedence over the printed catalog. Buyers are therefore cautioned to pay attention to the announcements.

## **GUARANTEES**

No guarantees whatsoever, expressed or implied, are made by the sale committee, the auctioneers, pedigree reader, bid spotter, or anyone associated with the National Breeders' Showcase Auction (NBS), as to title, quality, unsoundness, or soundness of any consignments. Presentations given in writing or verbally by the consignor. Any claims made based upon said presentation, guarantees, or any persons related to the sale. Seller's statements of soundness or unsoundness will be announced at sale.

## **LIABILITIES**

Everyone is urged to use caution when attending the sale. The National Breeders' Showcase Auction, all members of the committee, and all those associated with the sale in any way shall not be liable for any injuries sustained by anyone attending the sale. All parties entering the grounds where the sale is held do so at their own risk and further agree that the organization responsible for the sale is hereby released from any liability or responsibility for any injuries sustained by them during the attendance of the sale and its related activities from any case whatsoever. Notice: Under Indiana Law an equine professional is not liable for an injury to or the death of an equine activity participant that results from an inherent risk of the activity.

## **TERMS**

All consignments must have an attractive new halter and lead rope, otherwise the sale committee will supply one and charge the seller for the cost. Leather halters are requested but not required. No horse will be allowed to leave the grounds without a checkout slip indicating full payment. All horses must be removed from the barns by 5:00 PM Saturday evening, the day of sale, unless other arrangements are made with the sale committee. All sellers are responsible for their horses up until the time that the gavel falls, after which the buyer is in full responsibility. The sale committee of the NBS reserves the right to reject any horses for any reason including, but not limited to: unsoundness, poor condition, and improper documentation of registration or health papers.

## **PAYMENT**

Horses must be paid before leaving auction grounds via cash, approved check, or wire transfer. We will not be accepting cards.

## **COMMISSION**

\$500 per horse. No sale same. **No substitutes for cataloged horses.**

## **OUTS**

**\$250** unless you have a vet statement IN HAND.

## **ATTENTION CONSIGNORS**

Consignors, the sale committee appreciates the fine horses you have trusted us to market and the time and effort you have put in to prime them. As a token of our appreciation, each sale horse consignor will be provided with a drink bucket and will be found in your tack stall.

## **CANADIANS**

There will not be a federal vet at the sale. However, if you purchase horses, stalling will be available at \$20 per day until paperwork has been completed.

Digestive Aid Perform

A unique blend of grains and minerals to meet the needs of the working horse, for Draft, Driving, or Performance horses. This unique blend of horse feed is designed to be fed two or more times per day. Build just right to grow muscle on a working or non-working horse, with the right amount of minerals and fatty acids to encourage a healthy hair coat. Max reproduction in mares and fertile stallions, without causing a lot of unnecessary inflammation. If fed correctly, with enough water for your horse, and calories met, you can expect a #1 hair coat.

NATIONAL  BREEDERS'  
SHOWCASE  
AUCTION

A heartfelt thank you to all consignors of horses to the Showcase Auction. We are humbled when we see the depth of quality you are trusting us with.

Also, thank you to all buyers, bidders, and other participants. This would not happen without you.

Please, if you have suggestions for ways that we can improve your experience, let us know. We aim to be your marketplace for the very best breeding stock.
